

## Pan's Garden – Grade 6

### To Be Completed at School AFTER Field Trip

**ELABORATE (Post-Visit - at school):**

Have students read [Botany and Society](#). Ask them to pick what they think is the most important reason for studying plants and explain how it could help people.

OPTION: Have students read [Why Choose a Career in Botany?](#) Ask them to pick which career in botany they would be most interested in pursuing and why.

**EVALUATE (Post-Visit - at school):** Have students complete the [Post-Survey](#). Scan and email completed student surveys to Susan Lerner at [slerner@palmbeachpreservation.org](mailto:slerner@palmbeachpreservation.org).
